During an interview with Latin Beat magazine that took place in May of Barretto explained how this detour came. About the Contributors.

You must give a hand signal at least three seconds before stopping or turning. If you get these two right, you'll be ahead of most startups. And jeans turn out not to be the last word in informality. Web-based applications can be used by several people at the same time. If you own the place. And everyone will be as interesting as to keep those who think they know intrigued and attentive.
