There are so many online and consultancy-based businesses that are not location dependent. She found this alliance to be incredibly successful; so together with Wiener, who has a background in C-suite silo-busting in transformation projects, they decided to conduct a series of interviews with chief executive officers and chief financial officers from various Work On The Move including entertainment, healthcare, software and media. In many occupations, the ebb and flow of temporary help has to do with often seasonal situations such as harvest season in agriculture, or even part-time help when the retail business staffs up for the holiday season or the rise of the accounting staff when tax audits are performed.
