Men said that women could not function outside the home and that society and business would greatly suffer. See the aforementioned introductions.

Women were proving far more attractive candidates—both physically and because of their intelligence. Once again, in my opinion, what many of these men are searching for is not merely an alternative form of sexuality but rather loving female authority. The dominant female lives this dream because she has learned how to motivate her man to serve her needs by meeting his need to be dominated. Since, therefore, woman is the ultimate end of creation, the most perfect accomplishment of all the works of God and the perfection of the universe itself who will deny that she possesses honor surpassing every other creature?

Currently, most GLBT fiction focuses on romance and erotica. Fantasy Inc. Women also tend to have a larger corpus callosum, the group of nerve fibers that connects left and right hemispheres. Does he have a foot or a boot fetish?
