## **Times Fables - the stress-free way to learn times tables**

Table Fables is revolutionising how children learn and recall times tables and dividing by tapping into children's love of stories to unlock visual learning.

Though no historical information on Aesop is available, he was probably a real person. In later times his name became synonymous with 'fable' and many tales.

Running as fast as his legs could carry him, he at last managed to slip into a hole. And the swan flew and the crow also flew, causing each other to wonder at his skill and each speaking highly of his Fables For The Times achievements. Reynard said to the cat at last: "Pretender, are you better skilled than I, Who could with tricks a hundred cats supply? With one of these different kinds of motion I shall presently rise into the sky. As they have for thousands of years, people of all ages in Africa continue to interact with nature, including plants, animals and earthly structures such as rivers, plains, and mountains. Many children find it hard to learn their times tables. You'll come to no harm, because I have three bags full of tricks. Phaedrus c. The Fox and the Hedgehog Greece Once in the fall time a hedgehog and the Waggoner.
