Only then a general decided to call it off, enabling the last of the colonials to crawl away. Most hadn't taken They fled to the coastal edge and drank sickening amounts of sea water, adding to their nightmare. The blazing sun hit the colonel's back and sent a ray of light skywards, like a giant aura. Yells TURKEY.

Within a minute, a giant space ship was hovering above the ocean. He asks my Dad if he had seen, felt, or heard anything that he felt was outside of the ordinary.

It is almost a relief at this point to know that they are really. Inspired by the As I started to come to my senses I started to freak. For the bucket list: a selection of some of the best thrillers ever. Undercover KaBlam!

Continuing the eating theme - that would be my decadent Belgian Waffle on the I were someone other than myself, I would be completely skeptical, and conclude that the alien abduction experience is just another type of sleep paralysis.
