But it is Lord of the land: A Thai novel (ThaiFiction) much more than that: a deft psychological portrait of Uthis, whose past misdeeds, perennial delusions and current motivations are scathingly exposed, not least by himself; a questioning of the reliability of personal memories; a contrasted, and in many ways accurate, depiction of the alienation between country and city folks; an impressionistic denunciation of the ravages of mindless capitalism in the country; and an expose on how this country ticks – not to mention a prediction, to be read between the lines, of what the present state of affairs at the top portends for the future of this country: current political happenings are all the more powerfully evoked as they raise distant echoes. Her listed works cover the last seven years: two collections of short stories and no fewer than five novels. You've successfully reported this review. I assessed all the novels which were recommended, as well as about another hundred novels. Click here to sign up. The Patriarch, in a typical charade, wrote to the king, not to protest but to ask for royal pardon on behalf of the author for making the king angry at having upset his uncle, i.

He cleared the way to the future for me. This time he held out the glass, with only ice cubes left in it, to my brother, who mixed the drink expertly while giving me high signs with his eyes.
