The moving average ribbon can be used to create a basic forex trading strategy based on a slow transition of trend change. You can either take the trade with a tighter stop loss as we discussed above, or you can use a normal distance stop loss in the example of a pin bar, a normal stop loss distance would be the full length of the pin bar from high to low. Annals of Operations Research 37 : -

Tous les analyses. Rationales expectation theorists would immediately bet. Finally, in Section 6, we draw our conclusions, suggesting also some counterintuitive policy implications. Reading, MA:

Addison-Wesley.
