After the Crime explores their transformative experiences with restorative justice, vividly illustrating how one program has worked in conjunction with the criminal justice system in order to strengthen victim empowerment. Despite their rage and pain, many victims want the opportunity to confront their offenders and find resolution.

Quite possibly, depending on the crime, you might have to arrange memorials. Divided into four parts, the Handbook includes papers written by leading scholars on new theory, empirical evidence of implementation, critiques and the future of restorative justice. New Quantity Available: Participatory Restorative Retributive Solitary confinement.

Despite their rage and pain, many victims want the opportunity to confront the seriously interested in restorative justice will want to reflect carefully on the authors' conclusions.
