Department of Philosophy Faculty. The prayers in this collection of poems include prayers for the removal of the fear of death, for enabling the detachment from clinging to the body and to the world and to help thinking only about God at the time of death. Lower pleasures are those associated with the body, which we share with other animals, such as pleasure from quenching thirst or having sex. MindandBehaviourSaranWhatkindofcreatureareyou?Sincethisliberation Introduction to Ethics This course is an introduction to the three main Theory of Value: Indian Philosophy: Theory of Value 5 (Indian Philosophy of ethics: metaethics, normative ethics, and applied ethics. These are some of the central questions we will consider in this course. Elsewhere, he described death as a transition from a life filled with activities and responsibilities and desires to the peaceful realm of death, removed from actions and desires: As the activities of a vigorous vitality may become unmeaning, and thereupon smother the soul with a mere multiplicity of material, so the peace of the extinguished desire may become the peace of death.
