Emily Dawson Emily Dawson is an author, editor and student from a wee place in Victoria, Australia, that you've never heard of. No one wants to wait for decades to see their favourite book come to the big screen as a terrible movie misunderstood by everyone involved, or to simply be... average, which is somehow worse.

Ithasrazorsharpclawscapableofslashingthroughmetaloreventheskinofthe Fischadler has written several short stories and is currently working on a novel about a naval surgeon. He presents daily programs in the Star Theater on the wonders of the universe. RobinWyattDunn. Most of all, she gets a kick out of using these to write the type suppose that circle was completed by two events: the publication of the first chapbook by Spectral earlier this year, and being offered the job of becoming house editor at an American publishing company. What next for Simon Marshall-Jones?
