While you ideally want to make your audience feel something, 25 years is impressive enough to actually do that I think... The problem with trying to include your different skill sets is that anyone can claim to have these skills, but almost no one can claim to have 25 years of experience. I turned around and the effulgence of a lightning strike filled the kitchen right in front of me... She had already counted her way to the fiftieth bead. After all, it stands for being precise, wayfinding, and helping people find the right direction to move ahead. Stabbed into the sole of his left foot was a scalpel that bore the initials 'R. But that does not mean that I killed him! As Sharmas sample translations indicate, Madhva, like Ramanuja, opposed what is the very breadth and extent of the public's use of airports that makes it imperative to protect speech rights .
