While many influential commentators overlook, denounce, and trivialize Asian video, the contributors here show how it belongs to the shifting core of contemporary global media, thereby moving conversations about Asian media beyond static East-West imaginaries, residual Cold War mentalities, triumphalist declarations about resurgent Asias, and budding jingoisms. My kids, they argue with me about. Understanding the connections between media and modern selves in video documentary practices thus contributes to a conceptualization of rural public culture – Outsider (Penumbra Book 1) ways of being rural that are publicly expressed in forms of cultural production and consumption that simultaneously reinforce a rurality distinct from urbanity and insist on its own modernity first and foremost through the medium of digital video.
