The Indian Division of the Civilian Conservation Corps operated large-scale construction projects on the reservations, building thousands of new schools and community buildings. Racism, unemployment, drugs and gangs were common problems which Indian social service organizations such as the Little Earth housing complex in Minneapolis attempted to address. In the south segregation was a major problem for Native Americans seeking education, but the NAACP's legal strategy would later change .

This includes: Support for the development of literature and other creative  
The federal government has maintained this requirement, in part because through participation on councils and committees, federally recognized tribes have been adamant about groups' satisfying the same requirements as they did. Past efforts to encourage land ownership such as the Dawes Act resulted in a net loss of Tribal land. Retrieved September 5,  
Other early crops included cottons, sunflower, pumpkin, tobacco, goosefoot, and  
indigenous languages have become critically endangered, but others are vigorous and part of daily life for millions of

people.
