Audience Level. Introducing such ideas to each and every soldier would result in fewer civilian casualties during times of conflict; fewer abuses in the treatment and interrogation of prisoners of war; increased respect for all warriors. Then at his dojo, I saw my first black belt test.

JustasFrederickTaylormappedtheprecisephysicalmovementsthatmaximiz

Once during the project I was at a party where a very aggressive professor was arguing for the elimination of the military altogether. It really is. Fighting guerrilla actions and insurgent networks while winning the hearts and minds of locals would require soldiers who were flexible and sensitive and who could inspire trust – qualities often at odds with military doctrines based on the application of overwhelming force.
