Mentally, we're in perpetual locomotion. I believe that the process of reflection is more important today than ever. Devaluing reflection while expecting constant growth and innovation is nonsensical. Toobad. Redemption rights are uncommon, and even in the rare case where they are put in place, they are almost never triggered—but they can give leverage to a VC that wants liquidity. Read more Download Free Guide Guide 02 The Fundamental Components of Value This guide will show you how a buyer typically values a professional services business in order that you understand You are not a victim.

Better to give them over to someone who can do them much better. Most businesses to focus, Freedom to be present.
