Whether it is due to poor transmission of his works or to limited productivity of the poet, posterity knows and praises only his fragmentary Tristan. Since she is disdainful of all worldly values she has been seen as a saint-like figure and as a positive model for Heinrich, but this view overlooks the fact that the hero himself does not hear her tirade against the world, however miraculously mature and theologically sound her argument may be. This younger son, disinherited on the death of his own father, occupies the first two Books, with the account of his chivalrous adventures, notably in the service of the Saracen Baruc, and his two marriages. It arose in the 10th century in the southwestern area that had been settled by A. What more can be said? Woodcut, by Jost Amman. Related Images. In this case, the royal texts within the PRG exhibit a significant divergence
